

## ONEKEY DETACHER

# Quickly remove merchandise security at checkout

OneKEY Detacher is the convenient merchandise security removal solution that empowers associates to efficiently service customers at checkout. It offers quick detaching and full control over authorization for seamless checkout operations and immediate customer service.

### SEAMLESS CHECKOUT

Always powered and ready for rapid removal of security at checkout.

### VERSATILITY

Multi-detaching for both OneKEY and magnetic safers offers smooth transition to a single detacher.

### BEST-IN-CLASS SECURITY

The only detacher with timeout and deauthorization, making it the most secure detacher available.

### FEATURES AND BENEFITS

- 1 Quickly and securely detaches all OneKEY Package Protection products
- 2 Common magnet included which enables detaching of legacy magnetic safers, in addition to InVue solutions
- 3 Deactivation button for immediate deauthorization
- 4 Authorized with OneKEY
- 5 Kink resistant cord with swivel, replaceable cable
- 6 12-hour timeout window with unlimited usage
- 7 Compatible with Access Manager Software for managed authorization

OneKEY Detacher is part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
