An intelligent, connected, security and merchandising technology platform that promotes and secures all merchandise at retail.

InVue is a global technology company that provides retailers and brands with innovative merchandising, software and security solutions. Our products seamlessly promote and secure retail merchandise, enhancing the in-store experience to improve our customers' profits.

We back our commitment with a 90,000 square foot innovation, quality, design and service center in Charlotte, NC. Our quality control facilities in Charlotte and China, use custom designed testing equipment to simulate actual, daily in-store use of our products.

OneKEY™

ecosystem

The synergy gained from aligning brand displays with existing retailer technology results in increased profits.

BEST-IN-CLASS SECURITY

Assign a unique code per store, 12 hour time-out feature for greater protection, and ability to create zones and audit employee use.

IN-STORE VISIBILITY

Monitor, understand and manage associate interactions through software analytics. Know who did what, where and when.

Enabling an authentic brand experience.

TECHNOLOGY

- › Investing over 7%+ yearly in research and development. Custom designed testing equipment to simulate actual in-store use.
- › 90,000 sq. ft innovation, quality, design and service center in Charlotte, NC.

FOCUS

- › A history working with brands at the Headquarter, Regional and Retail level to maintain a comprehensive understanding of the brands ecosystem.
- › Offering products that balance the desire for high experience with the need for security.

EXPERTISE

- › Leveraging extensive retail experience and investments to bring innovative solutions to market.
- › Broad merchandising and security portfolio alongside data and analytics that give insight into customer behavior and interactions

GLOBAL PRESENCE

- › Global presence and local support in 90+ countries.
- › Innovative concepts that are informed by a global retail landscape.
- › Dedicated white-glove service for brands at the HQ, Regional and Local levels.

Keys and Accessories

OneKEY

Give every associate a key to increase sales, decrease theft and improve safety.

At a glance:

FEATURES AND BENEFITS

- › 12 hour time out protection against key theft
- › Transfers power and data to a wide range of security products
- › Assigns a unique code to a store or department for better key management
- › Create store zones and audit use to reduce internal theft
